Rules of the Game:

Following the update from the FIVB Rules of the Game and Refereeing Commission over the enforcement of an appropriate game pace, circulated by the FIVB on April 25th, the following important points of reinstating **the 12-second rule between rallies,** will be applied:

1. **Immediate Side Change:** Players must cross directly under the net from their position on the court without delay. Exceptions apply only in specific cases where switching around the poles is quicker or if a force majeure event or previously certified injury, prevents direct crossing.
2. **Use of Towels for Sunglasses Cleaning:** Players may access the towel hanging on the rope connected to the pole on each side of the court only if necessary and without causing delays. However, towels will not be assigned to specific teams on either side.

World Ranking Points

The awarding of the FIVB World Ranking points will be applied for this event as per the FIVB Beach Volleyball Sport Operations Manual, in case a fair access to all eligible and registered to participate athletes is ensured and will be confirmed after the issuing of the confirmed lists.

Uniform and Accessories:

The organiser will provide playing tops/tanks for all Main Draw and Qualification players, in accordance with the breakdown shared by the CEV.

Players must provide their own shorts/bottoms and accessories, either personally or through their sponsors.

If requested by the Technical Delegate, additional uniforms and accessories will be inspected during the Preliminary Inquiry.

Athletes from the same team must wear uniform of same colour.

The uniforms guidelines including the display of the individual players' sponsors' logos on shorts and accessories must comply with the FIVB Beach Volleyball Sport Operations Manual.

For an event offering EUR 5.000, the following breakdown applies (per gender):
