1. **Immediate Side Change:** Players must cross directly under the net from their position on the court without delay. Exceptions apply only in specific cases where switching around the poles is quicker or if a force majeure event or previously certified injury, prevents direct crossing.
2. **Use of Towels for Sunglasses Cleaning:** Players may access the towel hanging on the rope connected to the pole on each side of the court only if necessary and without causing delays. However, towels will not be assigned to specific teams on either side.

The awarding of the FIVB World Ranking points will be applied for this event as per the FIVB Beach Volleyball Sport Operations Manual, in case a fair access to all eligible and registered to participate athletes is ensured and will be confirmed after the issuing of the confirmed lists.
