**RULES OF THE GAME**

According to the FIVB Official Beach Volleyball rules in their latest edition.

Exceptions – Coaching: Following the respective FIVB guidelines, the presence of a coach inside the field of play is allowed in all CEV Beach Volley Nations Cup 2025 Preliminary Phase events, provided that these are duly accredited through the respective CEV BV-05 form.

A detailed document describing the obligation and rights of coaches entering the Field of Play is available on the CEV website. https://www.cev.eu/beach/nations-cup/2025

The BV-05 form should be uploaded to the CEV Cloud in the respective folder created for the participating NF by using the following link:
https://cloud.cev.eu/url/NCPP25TURAccreditation

Following the update from the FIVB Rules of the Game and Refereeing Commission over the enforcement of an appropriate game pace, circulated by the FIVB on April 25th, the following important points of reinstating the **12-second rule between rallies**, will be applied:

1. **Immediate Side Change:** Players must cross directly under the net from their position on the court without delay. Exceptions apply only in specific cases where switching around the poles is quicker or if a force majeure event or previously certified injury, prevents direct crossing.
2. **Use of Towels for Sunglasses Cleaning:** Players may access the towel hanging on the rope connected to the pole on each side of the court only if necessary and without causing delays. However, towels will not be assigned to specific teams on either side.

|---|---|
| REGISTRATION DEADLINE | For the CEV Beach Volley Nations Cup each NF has to register 2 teams composed of 4 athletes. All registration should be made through the CEV/FIVB VIS online registration platform. |
